The performance data quoted herein represents past performance. Past performance does not guarantee future results. The investment return and principal value of an investment will fluctuate so that an investor's shares, when redeemed, may be worth more or less than their original cost, and current performance may be lower or higher than the performance quoted. Total return assumes reinvestment of interest. Performance figures quoted herein may be lower due to recent market volatility, and yields may vary. For performance data current to the most recent month end, please call **1.800.262.9565**, or visit **www.bishopstreetfunds.com**.

1% redemption fee on shares held less than 30 days. Your return will be lower if a redemption fee is applied to your account.

*The Adviser has voluntarily agreed to reduce fees and reimburse expenses to the extent necessary to keep net operating expenses (excluding interest, taxes, brokerage commissions, acquired fund fees and expenses, and extraordinary expenses) from exceeding 0.55%. The Adviser intends to continue these fee reductions and expense reimbursements until further notice, but may discontinue them at any time. In the absence of current fee waivers total return and yield would be reduced.

Yield to Worst is the lowest potential yield that an investor can expect on a bond assuming all payments are made as scheduled (interest and principal). Yield to Worst is calculated by making assumptions regarding the use of calls by the issuer. Expectations assume an issuer will call a security when it is beneficial for the issuer.

Certain shareholders may be subject to the Alternative Minimum Tax (AMT).

Bonds and bond funds will decrease in value as interest rates rise.
