*A Medallion Signature Guarantee is required in Step 5 if you request a redemption to be sent to an address other than the address of record, the check is not made payable to the registered owner, the address of record has been changed within the last 30 days, or the above bank instructions are different than the bank of record.

5 SIGNATURES AND AUTHORIZATION

In order to complete your request, the required number of authorized signers must sign below exactly as it appears on your account (if signing on behalf of the account owner, please include your designated title), a Medallion Signature Guarantee will be required.

A Medallion Signature Guarantee assures that a signature is genuine and protects investors from unauthorized requests. A Medallion Signature Guarantee may be obtained from an officer of a commercial bank or trust company, savings and loan or savings bank, or a member firm of a domestic stock exchange. Notarization by a notary public is **not** acceptable.

By signing below, the owner(s) of the above referenced account(s) hereby authorizes the change of account ownership or transfer of shares specified in this form.
